

Welcome to Pinecrest.

Everything you need to know before your first visit,
in five minutes of reading.

What we do

Check-ups and cleaning

A full exam, X-rays when needed, and a cleaning. About 45 minutes.

Fillings

Tooth-colored fillings, done in one visit with numbing that actually works.

Whitening

In-clinic or take-home kits. We tell you honestly what to expect.

Kids' dentistry

Short, friendly visits from age two. Stickers are not optional.

Emergency care

Pain or a broken tooth? Call before 10 am for a same-day slot.

Clear aligners

A free consultation to see whether aligners are right for you.

Your first visit

1

Fill in your forms online

We text you a link two days before. It takes about five minutes.

2

Arrive ten minutes early

Bring your insurance card and a list of any medicines you take.

3

Exam and a clear plan

We show you what we see on the screen and explain every option and its price.

4

Book what you need

Most treatments can start the same week. Payment plans are available.

Questions before you come in? Our front desk team is happy to help.
